

In light of the current public health crisis and the Federal, State and County Emergency Declarations, and in accord with the provisions of Sec. 610.020, RSMo., the Sustainability Advisory Committee recognizes that it would be dangerous and impractical, if not impossible, for its meeting to be physically accessible to the public. The Committee also recognizes the need to proceed with its charge to advise the Board of Alderman on sustainability matters. In order to balance both the need for continuity of government and protection of the health and safety of our residents, this meeting of the Sustainability Advisory Committee will not be open to public attendance in person. The meeting will be accessible by the public in real time ONLY by following the instructions in the box below.

You are invited to a Zoom webinar.

When: January 28, 4:30 PM Central Time (US and Canada)
