# REQUEST FOR BOARD ACTION

TO: MAYOR HARRIS; BOARD OF ALDERMEN

**FROM:** DAVID GIPSON, CITY MANAGER

TONI SIERING, DIRECTOR OF PARKS & RECREATION

**DATE:** FEBRUARY 13, 2024

SUBJECT: ORDINANCE - A CONTRACT WITH VINCE GRAYE SLATE AND TILE

ROOFING FOR THE #1 OAK KNOLL PARK ROOF REPLACEMENT

**PROJECT** 

The City of Clayton entered into a lease agreement with Clayton Early Childhood Center for the property at #1 Oak Knoll Park effective January 1, 2023 for a term of ten2 years, plus an option period for an additional ten years. That lease agreement specified that the City is required to replace the roof at #1 Oak Knoll Park prior to January 1, 2025. To that end, bid documents for the #1 Oak Knoll Park Roof Replacement Project were issued on December 1, 2023. The scope of work includes removal and replacement of current roofing system, removal and replacement of current gutters and downspouts, as well as the repair of defective underlayment as necessary.

The City received three responsive bids for this work on January 25, 2024, the results of which are detailed below:

Bidder	Bid
Lakeside Roofing Company	\$702,946.00
Vince Graye Slate and Tile Roofing Co., Inc.	\$653,494.00
Old World Roofing, Inc.	\$714,820.24

Staff recommend awarding the contract to Vince Graye Slate and Tile Roofing Co., Inc., as they are the low bid, have extensive experience in slate roof replacement and have highly rated references.

Funding of \$500,000 for this project has been included in the FY2024 Capital Budget and, although all three bids are over budget, the City is obligated to complete this work by the end of 2024. Due to the age of the roof and the unknown condition of the decking, we are recommending a contingency of 10% or \$65,000 for this project. While this is significant, with a nearly 100-year-old roof system, we do anticipate unknown issues may need to be corrected as part of the project.

Due to the long lead time on the materials, this project will take nearly a year to complete. The slate tiles come from a quarry in Vermont and will not be available until late spring/early summer; however, the order needs to be placed relatively soon. Once the tile is on site, the work is expected to take four to five months to complete. It is anticipated that all materials will be on site by June 1, 2024 with construction beginning shortly thereafter.

**Recommendation:** To approve the Ordinance authorizing the execution of a contract with Vince Graye Slate and Tile Roofing Co., Inc. in the amount of Six Hundred Fifty-Three Thousand, Four Hundred and Ninety-Four Dollars (\$653,494.00), plus a contingency of Sixty-Five Thousand Dollars (\$65,000) for the #1 Oak Knoll Park Roof Replacement Project.

#### **BILL NO. 7012**

# AN ORDINANCE APPROVING A CONTRACT WITH VINCE GRAYE SLATE AND TILE ROOFING CO., INC. FOR THE #1 OAK KNOLL PARK ROOF REPLACEMENT PROJECT

**WHEREAS**, the proposed Roof Replacement Project at #1 Oak Knoll Park will preserve a significant structure in the history of Clayton and have a positive impact on the preservation of a facility owned by the City of Clayton: and

**WHEREAS**, the City has advertised for and invited bids for the Roof Replacement Project and the bidder referenced below submitted the lowest and best responsive bid, thereby assuring the most efficient and effective use of the City's resources.

# NOW, THEREFORE, BE IT ORDAINED BY THE BOARD OF ALDERMEN OF THE CITY OF CLAYTON, MISSOURI AS FOLLOWS:

Section 1. The City Manager of the City of Clayton, Missouri is hereby authorized to enter into a contract with Vince Graye Slate and Tile Roofing Co., Inc. in the amount of \$653,494.00 plus a contingency of \$65,000 for the #1 Oak Knoll Park Roof Replacement Project in substantial conformity with the terms shown on Exhibit A attached hereto and incorporated herein by this reference as if set out here in full, and change orders approved by the Director of Parks & Recreation in a cumulative amount not to exceed \$65,000, together with such document changes as shall be approved by the officers of the City executing same which are consistent with the provisions and intent of this legislation and necessary, desirable, convenient or proper in order to carry out the matters herein authorized. The Mayor, City Manager and other appropriate City officials are hereby authorized to execute the Agreement and such additional documents and take any and all actions necessary, desirable, convenient, or prudent in order to carry out the intent of this legislation.

# REQUEST FOR BOARD ACTION

TO: MAYOR HARRIS; BOARD OF ALDERMEN

**FROM:** DAVID GIPSON, CITY MANAGER

TONI SIERING, DIRECTOR OF PARKS & RECREATION

**DATE:** FEBRUARY 13, 2024

**SUBJECT:** ORDINANCE – A CONTRACT WITH WESTERN SPECIALTY

CONTRACTORS FOR THE EXPANSION JOINT PROJECT AT SHAW PARK

**AQUATIC CENTER** 

As part of routine maintenance at Shaw Park Aquatic Center, expansion joints should be replaced approximately every seven to ten years to prevent problems such as cracking and settling of the concrete. The expansion joints were last replaced in 2015 and are beginning to show signs of wear. Replacing the expansion joints on the pool deck now will provide protection against water while still allowing the concrete to move as it expands and contracts.

To that end, bid documents for Expansion Joint Project at Shaw Park Aquatic Center were issued on January 11, 2024. The scope of work includes the removal and replacement of expansion joint caulk and installation of backer rod replacement as needed on the pool deck, as well as in the three pools within the Shaw Park Aquatic Center.

The City received two responsive bids for this work on February 1, 2024, the results of which are detailed below:

Bidder	Bid
Western Specialty Contractors	\$105,235.63
Precision Concrete, Inc.	\$274,476.88

Staff recommends awarding the contract to Western Specialty Contractors as they are the low bid, have highly rated references and the City has had a favorable experience with the company in the past.

The full project is expected to take approximately two to three weeks and will be completed prior to Shaw Park Aquatic Center opening for the 2024 season on May 25<sup>th</sup>.

Funding for this project is included in the City's Capital Budget for FY24 in the amount of \$132,374. The total cost of the project will be \$105,235.63. Although the project is fairly straightforward, it is recommended that we include a 5% contingency of \$5,200 to be used to

cover expenditures to correct unknown issues that become apparent during this part of the project.

**Recommendation**: To approve the ordinance executing a contract with Western Specialty Contractors in the amount of \$105,235.63, plus a \$5,200 contingency to replace the Expansion Joints at Shaw Park Aquatic Center.

#### **BILL NO. 7011**

ORDINANCE NO.	

# AN ORDINANCE APPROVING A CONTRACT WITH WESTERN SPECIALTY CONTRACTORS FOR THE EXPANSION JOINT PROJECT AT SHAW PARK AQUATIC CENTER

# NOW, THEREFORE, BE IT ORDAINED BY THE BOARD OF ALDERMEN OF THE CITY OF CLAYTON, MISSOURI AS FOLLOWS:

Section 1. The Board of Aldermen of the City of Clayton, Missouri hereby approves an agreement with Western Specialty Contractors in the amount of \$105,235.63 plus a contingency of \$5,200 for the Expansion Joint Project at Shaw Park Aquatic Center in substantial conformity with the terms shown on Exhibit A attached hereto and incorporated herein by this reference as if set out here in full, and change orders approved by the Director of Parks & Recreation in a cumulative amount not to exceed \$5,200, together with such document changes as shall be approved by the officers of the City executing same which are consistent with the provisions and intent of this legislation and necessary, desirable, convenient or proper in order to carry out the matters herein authorized. ## **ARTICLE VI**

- (c) Weather shall constitute a cause for granting an extension of time.
- (d) In the event a delay is caused by the City, the Contractor's sole remedy shall consist of his rights under this Article VI.

## **ARTICLE VII**

#### **Changes in the Work**

- (a) The City may make changes within the general scope of the Agreement by altering, adding to or deducting from the Work, the Contract Sum being adjusted accordingly. All such changes in the Work shall be executed under the General Conditions of the Contract. No extra work or change shall be made except pursuant to a Change Order from the

- (c) Any adjustment in the Contract Sum for duly authorized extra work or change in the Work shall be determined based on the unit prices previously specified; to the extent such unit prices are applicable. To the extent such unit prices are not applicable, the adjustment in the Contract Sum shall, at the option of the City, be determined by an acceptable sum properly itemized and supported by sufficient substantiating data to permit evaluation, or by an acceptable cost plus percentage or fixed fee.

d) Contractor will comply and satisfy the requirements of Sec. 285.530.2, RSMo. Supp. 2008, which requires as a condition for the award of any contract or grant in excess of five thousand dollars by any political subdivision of the State of Missouri to a business entity, that the business entity shall, by sworn affidavit and provision of documentation, affirm its enrollment and participation in a federal work authorization program with respect to the employees working in connection with the contracted service, and requires every such business entity to also sign an affidavit affirming that it does not knowingly employ any person who is an unauthorized alien in connection with the contracted services.
