Update Clayton Complete Streets Policy

- Linda updated the committee regarding the Clayton Complete Streets Policy presented to the Board of Alderman on February 9th.
- Board of Alderman was very supportive.
- After review from the Board of Alderman – hope to have it on the upcoming agenda for final approval.
- Linda asked the BOA to consider having 1 or 2 members for future input on the Comprehensive Plan
- Consultant for input on future Capital Improvement Projects
- Linda asked for formal duties in the future.
- Committee to have regular communication in the CityViews or on-line for to education
- Linda is planning a meeting in the future with David Gipson, City Manager to discuss the committee's duties and ideas.

USGBC Toolkit

- Linda had a general discussion with the committee to get feedback on whether the committee would like to pursue or not.
- 3 components
 - Energy Efficiency in Buildings
 - Renewable Energy Strategies
 - Electric Vehicle Infrastructure
- Biggest Footprint – energy efficiency in commercial buildings
- The City & Clayton School District are models for Energy Benchmarking
- Partner with
 - Ameren
 - Chamber of Commerce
 - Clayton School District
 - Neighboring Cities
 - Mayor's Landmark Task Force
- Suggestion of sending out flyers, articles, or letter from Mayor
- Spire & Ameren offer rebates
- Suggested recommending to BOA, every new construction be electric vehicle or solar panel ready
- Linda asked the committee to bring ideas to the next meeting and decide if we want to pursue.

✚ New Business

- Angela noted we should identify and reach out to key partners in the city to help educate on sustainable activities.
- John reminded the committee of 2021 Electronic Recycling Event
 - March 12th & 13th – south parking lot Shaw Park

Next meeting: March 25, 2021

Meeting adjourned at 5:30pm
