

HOW TO USE PARKING APP

Parking in Clayton is easy with the help of PassportParking.

PassportParking is a smart, simple and convenient way to pay for on-parking using your mobile phone. No more quarters. No more running to the parking meters. In no time, you can park, pay, and be on your way.

Follow the instructions below to begin using the PassportParking app.

- 1** **Quick Registration**
 Download the PassportParking app from the Apple Store or Google Play.
- 2** **Zone Number**
 Enter the zone number that corresponds with the area you are parking in. (See example sign)
- 3** **License Plate**
 Enter the license plate number of your vehicle. Double check to make sure it's correct in app.
- 4** **Length of Stay**
 Choose the amount of time you wish to park your vehicle (15 minute increments).
- 5** **Payment**
 Enter the information from the debit or credit card you wish to pay with.
- 6** **Confirmation**
 Confirm that your information has been entered correctly. Begin your session.
